SWAP MEET

State Fairgrounds, St. Paul, MN

Top Things you need to know before the Swap Meet:

1. The deadline to return forms this year has moved up to April 30, 2026!
2. Although we are personally pet friendly, the fairgrounds is not pet friendly. Please leave your furry friends at home.
3. Your Swap registration fee guarantees entrance to the event for 2 and children under 15 are free with paid adult. If you come with additional people, admission is \$15 (cash only) for those above age 15.
4. ST-19's (on the back of the pre-registration form) **MUST** be completed in totality. This is not a MSRA rule, but a State of Minnesota rule. We are fined heavily if these forms are not in order and have to turn them in to the State after the event. We'd like to avoid increasing your swap fees next year, so please make sure to fill out the **YELLOW** highlighted sections only. We will return forms if they are not completed in full. We will not send a confirmation letter without a completed ST-19.
5. There are no provisions for unhooking tow vehicles. Spaces purchased must include the length of the tow vehicle. If you are over 20'ft long you need a 2nd space. If you are over 40'ft long you need a 3rd space. This means if you want to have a trailer that you register for the correct amount of swap spots. We do verify length at the event, and if you need additional space, you will be charged the same day fee of \$85 per extra space, cash only.

Top Things you need to know at the Swap Meet:

1. We try our best to get you to swap out of the right or left side depending on space.
2. Should you need to purchase additional spaces or register at the event, the price is \$85 cash only.
3. Please have your confirmation letter (assuming you pre-registered) on your dashboard for the swap volunteers.
4. If you sell something at the event and collect payment, please make sure you deliver that item to the customer! Last year we had a swapper collect payment and leave without delivering the product. In an extreme emergency, you may leave paid for product with the Swap tent volunteers for your customer.
5. For Pre-Registered swappers, we will start having you set up at 5am. Non-Registered will not have access until after 6am. No more swappers after 8:00am.

We appreciate your participation in this event! We wish you Swap-Success!
