The Star Chiefs play Rockabilly music and they play it expertly. Rockabilly is a classic style of rock and roll music. The Star Chiefs have been with the Ladies Showcase since 2008 and at other MSRA functions where they are always well received. They just get better every time you get to hear them. We invite them back, quite simply, because they are a fantastic band and you, the audience, come to see them again and again. You can reach them at thestarchiefs@gmail.com. If you are fortunate, they may be available for your event.

Bill Schimmelman has been around cars all his life. He worked on several fast cars while in high school but he postponed his love of cars while he was in college, the service and raising kids. A good friend later got him interested again. Bill and his wife Janine enjoy cruising the old car scene. He adopted the phrase, faith and horsepower, a great combination. Many are surprised that a pastor can build cars and trucks, but he finds there are many similarities.
